## TOUR ROUTES

All rides are **very hilly** and, except for the 50 km, strenuous. Be in shape for lengthy climbs, and be cautious while you enjoy the long descents. Riders biking to Skyline, the Santa Cruz mountains and the coast should carry warm clothing.

### 200K- Registration open 6:00-7:30 am

An incredibly scenic ride to the Pacific and back, our route to Highway 1 is up Kings Mountain, past the forests of Memorial Park and south along the coastline. Climb Bonny Doon and continue to Felton for lunch and the final ascent on East Zayante to breathtaking views from Skyline Ridge. Total altitude gain is more than 9300 feet making this a very challenging ride.

### 100M - Registration open 6:00-7:30 am

This 100 mile course is no less demanding than the 200K. From Old La Honda journey south to Saratoga Gap. The route then winds through the redwoods of Big Basin. Riders will ascend Jamison Creek and, after lunch, East Zayante, to enjoy panoramic vistas of the Santa Cruz Mountains. Over 9700 feet of climb makes this one of the toughest 100 miles you'll ride this year.

### 100K- Registration open 7:30-9:00 am

The 100K is a lovely tour through La Honda to the ocean. Follow the 100 milers up to Skyline, then join the 200K route to Pescadero. Have lunch on the beach at San Gregorio, and return via Skylonda and the Portola Valley loop. Total elevation gain for this ride is 5000 feet.

### 50K - Registration open 9:00 -10:00 am

Travel the foothills of Portola Valley to the town of Woodside. Enjoy a leisurely pace through Atherton and the beautiful Stanford campus. Lunch at a shaded Palo Alto park offers a pleasant respite before the return trip to Foothill College on the bike paths of Los Altos and Los Altos Hills.
