## TOUR ROUTES

Our three longer rides will travel to the coast and back. All rides are **very hilly** and **strenuous**. Be in shape for lengthy climbs, and be cautious while you enjoy the long descents. All riders should be prepared for sudden weather changes and carry warm clothing.

### 200K - Registration open 6:00-7:30 am

Three demanding climbs punctuate this 200k tour. Our route to the ocean is through Big Basin and Bonny Doon. After lunch climb Tunitas Creek and Skyline to enjoy panoramic views of the Peninsula and the San Francisco Bay. Over 11500 vertical feet makes this a challenging century.

### 100M - Registration open 6:00-7:30 am

Follow the 200K to Saratoga Gap and up Jamison Creek. Ride north on Hwy 1 and head inland for a well deserved lunch at Butano. The final ascent to Skyline is through the shaded redwoods of Memorial and Sam McDonald Parks. Total elevation gain is 8200 feet.

### 100K - Registration open 7:30-9:00 am

This 100K route to the coast is through La Honda. Enjoy lunch on the beach and be prepared for the demanding ascent of Tunitas Creek. Return via Skylonda and the Portola Valley loop. This tour boasts 5200 vertical feet.

### 70K - Registration open 9:00 -10:00 am

The 70K is designed for those new to century riding. Ride through the SF Watershed to lunch at Crystal Springs Reservoir. Our route passes the Filoli Estate and returns to Foothill through the communities of Portola Valley and Los Altos Hills. Variety makes this route both interesting and challenging. Be prepared for a 2000 ft. elevation gain.
